

Essential cardio. Designed to fit Hospitality and Residential

ATMOS

ELLIPTICAL

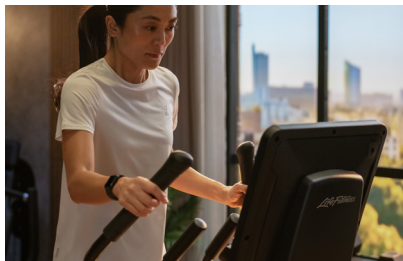

ESSENTIAL LOW-IMPACT MOTION, DESIGNED FOR ACCESSIBLE COMFORT.

Smooth, natural, and exceptionally quiet, the Atmos Elliptical provides the trusted Life Fitness movement experience in a modern, space-efficient form that fits seamlessly into hospitality and residential environments.

NATURAL, LOW-IMPACT MOTION

A smooth, fluid stride pattern creates an instantly comfortable elliptical experience. Users of all fitness levels can enjoy a full-body workout with minimal joint stress.

QUIET, STABLE OPERATION

Engineered for calm, controlled movement, the elliptical operates quietly to preserve the atmosphere of wellbeing spaces. Its stable feel keeps users grounded and confident throughout their session.

INTUITIVE TOTAL-BODY DESIGN

Moving and stationary handlebars allow users to choose their preferred workout style. The layout is simple and inclusive, making it easy for anyone to get started.

ATMOS ELLIPTICAL

SMART CONSOLES, SIMPLIFIED CHOICES.

Choose the console experience that best complements your space. The SE4 16" touchscreen console brings immersive visuals and engaging content to your fitness environment, while the SL LED console provides a straightforward, universally familiar interface.

Both consoles are designed with the same refined aesthetic and dependable performance, ensuring Atmos fits effortlessly into any hospitality or residential setting.
