

Essential cardio. Designed to fit Hospitality and Residential

# ATMOS

# UPRIGHT BIKE

## ESSENTIAL CYCLING COMFORT, DESIGNED FOR EVERYDAY WELLBEING.

Smooth, responsive, and easy to adjust, the Atmos Upright Bike brings the familiar Life Fitness riding feel to a compact design ideal for hospitality and residential fitness areas. Its comfortable upright posture, quiet operation, and intuitive controls make it approachable for any rider, from casual guests to regular residents.

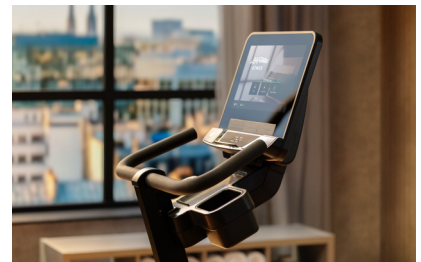

### ERGONOMIC, COMFORTABLE RIDE

Thoughtful geometry and a supportive seat ensure a natural cycling posture. Users feel balanced and comfortable from warm-up to cool-down.

### SMOOTH RESISTANCE EXPERIENCE

The bike transitions effortlessly between resistance levels for a controlled, consistent workout. Riders can tailor intensity without disrupting their rhythm.

### ACCESSIBLE, USER-FRIENDLY INTERFACE

The upright bike features clear, intuitive controls that remove barriers to entry. It offers a straightforward, familiar experience ideal for hospitality and residential environments.

## SMART CONSOLES, SIMPLIFIED CHOICES.

Choose the console experience that best complements your space. The SE4 16" touchscreen console brings immersive visuals and engaging content to your fitness environment, while the SL LED console provides a straightforward, universally familiar interface.

Both consoles are designed with the same refined aesthetic and dependable performance, ensuring Atmos fits effortlessly into any hospitality or residential setting.
